# Skin Nourish

Skin Nourish offers a special skin nutrient blend containing polyphenolic compounds from grape seed, SOD from melon, vitamin C, and zinc, which are primary and secondary antioxidants that support the appearance of radiant skin color, contrast and integrity. Phytoceramides work in the skin's epidermis layer to help retain moisture and improve the appearance of wrinkles and elasticity. Silica supplied by bamboo plays a role in maintaining skin elasticity and collagen production. Together, these nutrients work within the body to provide skin radiance, hydration, and a nourished appearance.
