

FemGuard + Balance<sup>™</sup> supports hormonal balance with a blend of herbs and nutrients that promote healthy estrogen metabolism including diindolylmethane (DIM), chrysin, and the traditional herbs, black cohosh and chaste tree.\* Calcium-D-glucarate promotes the proper elimination of excess estrogens.\* Additional nutrients and phytochemicals are included to support the body's antioxidant status and normal detoxification.\*

**DIM:** Promotes the production of the more beneficial estrogen metabolites over the potentially toxic estrogen byproducts to support estrogen balance and optimal health.\*

**Black Cohosh:** Supports hormonal balance, especially during menopause, and supporting the normal production of neurotransmitters, including serotonin and dopamine, which also support healthy mood.\*

**Calcium D-glucarate:** Promotes the clearance of estrogen and its metabolites, including the more potentially toxic byproducts to support estrogen balance.\*

**Chrysin:** Supports estrogen metabolism by inhibiting aromatase activity, an enzyme that synthesizes estrogen from testosterone. Chrysin also supports bone health.\*

**Chaste Tree Extract:** Supports estrogen and progesterone levels and promotes dopamine metabolism.\*

FemGuard + Balance<sup>™</sup> also features nutrients and phytochemicals to further support overall health and estrogen metabolism, including **B vitamins, magnesium, resveratrol, epigallocatechin gallate (EGCg), and broccoli seed extract.**\*

## **Benefits**\*

- Promotes healthy female hormonal balance
- Supports healthy estrogen metabolism
- Promotes a healthy inflammatory response
- Supports normal detoxification

## **Recommended Use**

Take 4 capsules per day or as directed by your health-care practitioner.

**Warning:** Do not use if pregnant, nursing, or trying to conceive.

TrueBroc® is a registered trademark of Brassica Protection Products LLC.

## Highlights

- 100 mg of DIM to support healthy estrogen ratios\*
